**KINZE 4900 AND JOHN DEERE 7100
STAINLESS STEEL TUBE HOLDER
PART # 53930 (GXSSTKINZE4900)**

(Read Instructions Completely before Beginning Installation)

Installation Steps:

Before you begin, verify the “package contents” to ensure all items are included.

Step #1: Mounting requires removal of gauge arm and wheels (A)

Step #2: Remove scraper bolt (B) and position tube holder as shown (outside of scraper)>

Step #3: Fasten with scraper bolt (B).
