GX20 ICM

AgXcel's GX20 Intelligent Chemical Mixer is the latest in a long line of quality solutions for intelligent liquid application. Create recipes on the fly. Mix and apply with accuracy. Fully detailed tracking of data and system totals. Multi-colored LED job indicator. Easy to use graphical interface. All controlled through a secure wifi connection with the included tablet.

GX20 Chemical Hut

The GX20 Chemical has all of the features of the GX20, but is an all-in-one solution. Featuring 2 80 gallon tanks in a temperature controlled "hut". Ideal for outdoor placement to withstand a colder environment. With the ability to control up to 3 products, the GX20 Chemical Hut is a perfect for the unwanted mixing of chemicals.
